EDUCATION

Bachelor of Science in Computer Science: Expected May 2028

- Virginia Polytechnic Institute and State University - Blacksburg, VA; August 2025 to May 2028, **GPA: 3.94**
- Franciscan University of Steubenville - Steubenville, OH; August 2024 to May 2025, **GPA: 3.87**

PERSONAL PROJECTS AND EXPERIENCE

- Passionate Computer Scientist: Learning new things and trying everything I can in the field since I was 6 y/o
- Hardware Experience: Assembling and troubleshooting 4 PCs for myself and friends
- Software Engineering and Design: Programming over 50 different projects in p5.js, a graphical web framework
- Web Hosting, Networking and DNS: Hosting 35 websites and servers, managing DNS and networking tasks
- Hardware and Software Integration: Engineering 10s of HomeLab projects with Arduino and ESP systems
- Full Stack Development: Spearheaded and developed an uber-clone with a team for a small campus city in Flutter
- Complex Problem Solving: Competed in the IEEEExtreme 24 Hour Coding Competition and placed 7th regionally
- Diligence and Leadership: Eagle Scout in Scouting BSA, helping in over 400 hours of community volunteer service, leading a 100+ scout troop as Senior Patrol Leader, and reaching Brotherhood in the Order of the Arrow
